PAINT IN VAN GOGH'S FOOTSTEPS!

Provence is the favorite location for our Artist Retreat. The light here is renowned amongst painters, making location alone the perfect inspiration.

Join **Tracy Lewis** for a week of painting as we explore the breathtakingly beautiful landscape of Provence. Tracy will guide you through her approach to painting en plein-air and will help you take your watercolors to the next level! Capture the details of your trip with a beautiful watercolor journal to remember your visit. Tracy loves to paint delicious pastries, beautiful flowers or a glass of wine with cheese.
